Our group from Van Tech Key Club would sincerely like to thank you for your kind and generous donation. Us high school students would not have been able to attend the Pacific Northwest District Convention in Portland, Oregon without your support. As Key Club is an international organization, this event opened our eyes on the impact high school students can make on world. After spending a weekend with Key Clubbers from Alaska to Idaho, we left enriched of knowledge and understood why we dedicate hours of service in our community. It was such a privilege to experience the celebration of service with over 2000 inspiring students coming from all areas of the Pacific Northwest.

With 300 clubs in the district, our club is very proud to bring home an outstanding number of awards. From a scholarship, a distinguished officer award, the Service Hours Award, and the Video Award, our club is beyond proud of our success. With your support, we were able to walk across the stage with our heads held high for what we accomplished. Thank you so much for supporting us, because none of this would have happened without your help.

Sincerely,
Van Tech District Convention Attendees

To Whom It May Concern,

Thank you for the bursary. It has greatly helped in the purchase of my drum pad. The drum pad has allowed me to participate fully in band. It helps me make beautiful music.

I like the glockenspiel sound, it has helped me participate easier in music when the class uses Orph instruments. Downloading different instrument sounds, I can even use it to participate in ukulele.

Once again thank you for your generosity.

Sincerely,
Diana Dumitru

Dear Ms. Hooper,

Thank you so much for the wonderful, creative and artistic opportunity the Lucy L. Woodsworth Fund enabled my two students: Oasis and Tristan, to have.

They certainly enjoyed their time at the Green Thumb Theatre March Break Camp, and I feel they grew in confidence and their sense of what can be accomplished. There was a performance for families and friends to enjoy, which was a highlight.

I have enclosed their thank yous and artwork.

Thank you once again,
Esther Yoshida

Hello Ken,

We are now back from camp in Smithers. Anne has written a note to you and the foundation and I will put that in the mail later today. In the meantime here are some photos as well as a link from one of the local newspapers which has a photo of our patrol in one of the gardens. The photos show our patrol, our patrol's campsite, the crowd of campers and the bigger camp grounds and Anne participating in one of her activities which was tie dying. This camp had just over 2300 campers including visitors from across Canada, from South Washington and international guests from UK, Scotland, Japan, Peru and Australia.
